Comments on User Stories

User Story Number	Comment
1.12	Consultancies could request the assigning of members to tasks
1.14	Not just admin, the project manager supplied by the consultancy
1.16	Define eligible
1.17	There is a contract to be signed first
1.22	If there is a consultancy with the project/task it's their duty to do that
2.4	Define appropriate
3.1, 3.2, 3.3	They are not epics, but they are not easily sprint implementable. Divide them into further stories
3.7	Completing the signup process should happen after a notification from the admins
